*A note on our chips – please be aware that our although our chips do not contain gluten we do fry them in the same oil as we fry other flour coated products. They are fried at very high temperature and will never be fried at the same time as other flour products. If you have an intolerance to gluten our chips should be fine for you to consume, however if you are a coeliac we do not recommend them. We are happy to substitute fries for a green salad or mash at any time
